mlcoa

*Consider an additional income stream
as an Independent Medical Examiner*

National Provider of Independent Medical Opinions and Services

Consulting opportunities available Australia wide – customised to suit your availability and lifestyle.

With over 30 years' experience, mlcoa is a premier provider of Independent Medical opinions and advisory services to the corporate arena, insurance industry, legal profession, federal and state governments.

As an mlcoa Consultant:

- > Significantly increase your income stream
- > Enhance your medical report compilation and assessment skills
- > Extend your range of clinical and intellectual stimuli
- > Retain your independence and professional identity
- > Your responsibilities remain within the normal doctor-patient and related ethical obligations
- > Professional indemnity costs substantially diminish for this area of work

We provide our consultants with:

- > Management of the entire service 'end to end'
- > The ability to customise your consulting days and appointments, according to your individual preferences
- > Management of appointment scheduling, ensuring that the time you make available to us is fully optimised
- > Preparation and storage of the medical files
- > Modern well equipped consulting rooms with full mlcoa staff and support services provided
- > mlcoa's in-house expert team of medical typists
- > Guaranteed monthly payments
- > Should you choose to consult interstate, travel arrangements and costs will be met and managed by our in-house Travel and Scheduling Department
- > Guidance and support regarding the legislative requirements surrounding independent medical examination reports

Our service staff are:

- > Trained and skilled in the requirements of independent medical examinations and the related legislations
- > Experienced in guiding you through the Independent Medical Examination process and requirements
- > Dedicated to providing exemplary customer service
- > Welcoming and enjoy creating a helpful ambiance
- > Up to date with relevant state and federal legislations
- > Always available to assist you

Our client services include the provision of:

- > Independent medical examinations across most medical specialties
- > Permanent impairment assessments
- > Integrated medical assessment panels
- > File/case reviews
- > Expert witness services

To find out more about how an opportunity could be tailored to suit your individual needs, contact us at your earliest convenience.
