You are invited to attend an exclusive educational event entitled:

**Eyes Wide Open: Exploring the Controversies of the Psychiatric IME**

**Presenter:** Dr Lucas Murphy, Psychiatrist

Please join mlcoa and Psychiatrist Dr Lucas Murphy in exploring the psychiatric IME, looking at topics such as the Epidemic of Depression and how this impacts on the rising costs of mental stress claims.

Dr Murphy will discuss the challenges of getting the balance right in psychiatric claims, especially in a complex claims environment. How do we navigate this environment whilst supporting the treatment needs of the individual?

Dr Murphy will examine the following topics in this presentation:

> High risk occupations
> Causation
> Capacity
