

CONSIDERING AN ADDITIONAL INCOME STREAM?

mlcoa

National Provider of Independent Medical Opinions and Services

Consulting opportunities available Australia wide – customised to suit your availability and lifestyle.

With over 30 years' experience, mlcoa is a premier provider of Independent Medical opinions and advisory services to the corporate arena, insurance industry, legal profession, federal and state governments.

As an Independent Consultant with mlcoa:

- + Significantly increase your income stream
- + Customise your availability and appointments, according to your individual preferences
- + Enhance your medical report compilation and Assessment skills
- + Extend your range of clinical and intellectual stimuli
- + Retain your independence and professional identity
- + Your responsibilities remain within the normal doctor-patient and related ethical obligations
- + Professional indemnity costs substantially diminish for this area of work

We provide our consultants with:

- + Management of the entire service 'end to end'
- + Online Consultant Portal
- + Management of appointment scheduling, ensuring that the time you make available to us is fully optimised
- + Preparation and storage of the medical files
- + Modern well equipped consulting rooms with full mlcoa staff and support services provided
- + Transcription services
- + Guaranteed monthly payments
- + Should you choose to consult interstate, travel arrangements and costs will be met and managed by our in-house Travel and Scheduling Department
- + Guidance and support regarding the legislative requirements surrounding independent medical reports

Our service staff are:

- + Trained and skilled in the requirements of independent medical examinations and the related legislations
- + Experienced in guiding you through the Independent Medical Examination process and requirements
- + Dedicated to providing exemplary customer service
- + Welcoming and enjoy creating a helpful ambiance
- + Up to date with relevant state and federal legislations
- + Always available to assist you

Our client services include the provision of:

- + Independent medical assessment & reporting services – Face to face and via telehealth
- + Permanent impairment assessments
- + Integrated medical assessment panels
- + File/case reviews
- + Expert witness services

To find out more about how an opportunity could be tailored to suit your individual needs, contact us at your earliest convenience.
